

NOTICE OF PROPOSED SOLE SOURCE PROCUREMENT

This is not a competitive bid/proposal

The Utah Transit Authority (UTA) Procurement Policy provides that sole source procurements may be used only when the Award of a Contract is infeasible under other source selection methods, and at least one of the following circumstances applies: (a) The required goods or services are of a specialized nature requiring expertise that is only available from a single source; (b) The public exigency or emergency for the required goods or services will not permit a delay resulting from competitive solicitations; (c) After solicitations of a number of sources, competition is determined inadequate.

The UTA Purchasing Department has received a request to make the following sole source procurement:

Product and/or Service to be purchased: The Head End Power (HEP) is the power supply for the locomotives. This module includes the following items.

HEP Training Module will consist of the following MPI part numbers:

2024401 HEP Skid Equipped

2030007 HEP Contactor Cabinet 2032613 HEP Relay Cabinet Equipped

2024412 HEP Hatch Arrangement

Contract Duration: One time purchase

Proposed Sole Source Supplier: Motivepower Incorporated

Estimated Total: \$847,175.00

Sole Source Justification: The UTA Apprenticeship Training group wishes to acquire a working HEP training module that can be used in the training effort of UTA employees in the maintenance and repair of the UTA Frontrunner MP36PH-3C locomotive fleet. In order to accomplish this, the training module must be an exact replica of the existing locomotive HEP system. Due to the proprietary design of the MP36PH-3C locomotive, our only option is to engage Motivepower Inc. about providing this equipment to UTA.
